## DANIELSON AND PUTNAM NEWS

### DANIELSON

Meeting of Reading Circle—Funeral of Barney Ward—No Trace of Garage Burglars—Knowles-Kinnear Marriage.

Dr. George M. Burroughs, who has been a patient in a Boston hospital for several weeks, is recovering more slowly than had been expected. Mrs. James Richmond and daughter, Anna, have returned from a visit with relatives in Cleveland.

### Mail Unclaimed.

Letters addressed to Ernest Barba, Wauretics Debuta, Mr. and Mrs. Sherman and Gilbert Turcotte are unclaimed at the Danielson post office. Bass Clet concert, auspices of Civic Federation, Nov. 19—adv.

### Ready Circle Meets.

Mrs. C. H. Barber had the members of the Ladies' Reading circle at her home for a meeting Monday. Joseph Christina, who suffered a serious injury to his eye, is making favorable progress toward recovery. He is at Jewett City today for the missionary conference.

### Burial of Barney Ward.

The body of Barney Ward of Moose-up was brought here for burial in St. James' cemetery. Up to Tuesday afternoon the county commissioners had not announced a date for a hearing here on the remonstrance against Will Dagenies having a license.

There were many parishioners at St. James' church Tuesday morning to attend the All Souls' Day service.

### Steel For Mill Addition.

Large quantities of structural steel are being transported from the Dayville station to Williamsville for use in the new addition to the mill. With the "war brides" stocks so much in the limelight, there appears to be a favorable chance of reviving Foster gold mine investments. The season for chert is on.

Judging from the experiences of some local motorists during the past few days, they would make a great squad for home defense, smashing the enemy from truck to keel at every shot.

### Pleased With Armory Alterations.

Many of the members of the Thirtieth company saw the remodeled interior of the state armory for the first time Monday evening and were much pleased with the arrangement. Following a custom of a number of years, women here in Brookly are making Thanksgiving gifts for the Kinball hospital at Putnam.

### Will Probably Accept Streets.

No action has yet been taken by the selectmen, who meet today, relative to the acceptance of streets at Industrial place, in accordance with the vote at the annual town meeting. It is expected that there will be no hitch in regard to the taking over of the streets.

### It Has Been Decided Not to Hold the Annual Hunt of the Killingly Hunting and Fishing Club until some time during the latter part of November.

Services at Old Trinity. The usual All Saints' Day services were held at Old Trinity church, Church street, with a number from Danielson in attendance. This annual service is one of the few held at the edifice during the year.

### Fire Thief Not Found.

It was said at the Wauregan garage Tuesday afternoon that up to that time no trace had been found of the burglar who stole a number of more than \$500 worth of tires, tubes, spark plugs and money during Sunday night. Arthur Milligan, the proprietor, continued his search for the men on Tuesday.

### Rare Coins and Bills Exhibited.

A collection of old coins and bills is attracting much attention at George Davignon's store. Jurgis A. G. Bill has loaned a very interesting collection. The oldest coin in the lot is

### WHOLE WARSHIP IS CONDENSED IN A SMALL PHOTOGRAPH

The usual All Saints' Day services were held at Old Trinity church, Church street, with a number from Danielson in attendance. This annual service is one of the few held at the edifice during the year.

Information given out at the Vatican today is that Monsignor Marchetti, papal delegate to Switzerland, was sent by the Vatican to Switzerland merely to arrange for an exchange of prisoners and civilians between the two groups of belligerents and had no mission concerning peace.

It was not known to the Vatican, it was said, whether Monsignor Marchetti would meet Prince Von Buelow, the former German ambassador, in Switzerland, or whether Prince Von Buelow wished to communicate with him.

Hartford—Seven of the nine Hartford school districts have made their enumeration returns to Superintendent of Schools Thomas S. Weaver, showing an aggregate gain of 173, the figures being 12,980 against 12,807 a year ago.

### PUTNAM

Twelve Arrests During October—Mrs. Lewis Hayward Struck by Train—Teacher Training Class Planned—Chambers of Commerce Meeting—School Report.

Matters of special interest pertaining to the republican party's ticket for the biennial election are to be discussed at a meeting of the city committee this evening.

### Cue Offered.

In the Intracholastic Basketball league, of which the Putnam High school team is represented, a cup is to be presented to the team winning the championship.

### Halloween Social.

There was a belated Halloween social and entertainment featured at a meeting of the Arcanum club Tuesday evening. The club has started a billiard tournament in which nine members will participate.

Letters addressed to the following persons are unclaimed at the Putnam postoffice: Curtis, Henry Kinnear, Mrs. W. W. Butler, Mrs. Nellie Root.

### Seventeen Arrests in October.

The police report for the past month shows that there were 17 arrests in Putnam. Six were arrested for intoxication, nine for breach of the peace, two for larceny. Four were sent to jail, three fined, three turned over to other officers and judgment suspended in three cases. Street lights were reported out of a total of 48 hours, and one door was found open.

### Matter of School Physician.

S. M. Wheelock, H. J. Thayer and Supl. H. W. Pike make up a committee appointed by the town school committee to investigate relative to the appointment of a school physician for Putnam. This committee will give immediate attention to this matter and report at an early date. It is said that it has been practically decided to have a school physician, as is done in most cities of the state.

### City to Have Night School.

Putnam is to have a night school and it is to be opened as soon as the arrangements can be completed, this action following the vote of the town school committee. It is understood that 48 names of persons who desire to attend have already been handed in. The action to open the school was taken at the suggestion of Superintendent Files. It is probable that the school will be in session three nights a week at the high school building and that two teachers will be employed, each to receive not in excess of \$1.75 a night.

### Surprise Omen Supper.

Landlord Albert Forni of the City hotel surprised his guests Tuesday evening with a menu that was out of the ordinary. The basis of a tempting supper was a 10-pound omelet that fell victim to one of the arrangements.

Many of the members of the Thirtieth company saw the remodeled interior of the state armory for the first time Monday evening and were much pleased with the arrangement. Following a custom of a number of years, women here in Brookly are making Thanksgiving gifts for the Kinball hospital at Putnam.

### Struck by Train.

Mrs. Lewis Hayward's leg, arm and collarbone broken.

Mrs. Lewis Hayward, widow of a former judge of the court, passed the Putnam station, near the Chapman street, this city, was seriously injured Tuesday afternoon when she was struck by the north-bound 10:30 train out of this city. Mrs. Hayward was in Mechanicville on an errand that took her to the French River Textile company. She was struck while crossing the track at the dangerous crossing, near the Chapman street, where the tracks are crossed by the French River Textile company.

She was struck while crossing the track at the dangerous crossing, near the Chapman street, where the tracks are crossed by the French River Textile company.

### TEACHER TRAINING CLASS.

Community Class for Sunday School Teachers to Be Organized Next Sunday Afternoon.

The address of Rev. William T. Thayer, pastor of the First Baptist church of Wallingford, given at the annual convention of the Windham County Sunday School association, held in Putnam last month, contained many convincing statements in regard to the necessity of Sunday school teachers being trained.

The teachers of Putnam and vicinity are particularly interested in having a leader to conduct such a class who has had a practical experience along this line.

All interested in the organization of such a class have been requested to meet in the chapel of the Congregational church next Sunday afternoon.

a penny, the property of William Jackson, and it is dated 1787. H. C. Brown shows a collection of United States pennies, one for every year, 1857 to 1913 inclusive.

### WEDDING.

Knowles-Kinnear. At the Congregational parsonage in Southbridge last Saturday Miss Myra G. Kinnear and Ernest S. Knowles were united in marriage by Rev. L. Bean. The bride was formerly a resident of Danielson, living with her aunt, the late Mrs. Joshua Perkins of Reynolds street in Southbridge.

All Sorts of Weather. The Weather Man turned in a fancy line of performances Tuesday, throwing in a rainbow or two for good measure. He started out the day with as fine a sample of Indian summer as New England is ever blessed with, only to switch to black clouds, high winds and sputter little showers before the noon hour, meanwhile dropping the temperature from a dozen to twenty points. The afternoon's programme included a smart hail storm, heavy showers and an increase in the refrigerating process. The rainbows were morning exhibits, one showing in the northwest as rain clouds swept up to mar the brilliance of an autumn day.

The chief value of the little rain that fell was to wet down the wet roads which had become in a condition to cause grave danger of forest fires.

### MATTER OF PATROLMAN.

To Be Considered at Special Borough Meeting.

At the regular monthly meeting of warden and burgesses Tuesday evening it was decided to call a special meeting on Thursday of next week to give the voters an opportunity to pass upon the proposition of having a patrolman on duty regularly, as petitioned for by a number of citizens. Aside from this only routine business was transacted at the meeting.

## We're Hammering Away At This Fact

LIBERTY is the best tobacco in the world for big, strong, manly men. It is made purposely to please this kind of man. It is a juicy, full-bodied tobacco that thoroughly satisfies a powerful man's tobacco hunger.

LIBERTY is pure Kentucky tobacco and naturally aged for three to five years so as to bring out all its mellow, healthful richness and honest sweetness.

## LIBERTY Long Cut Tobacco

Take the case of the blacksmith. When he wants tobacco satisfaction, he cannot get it out

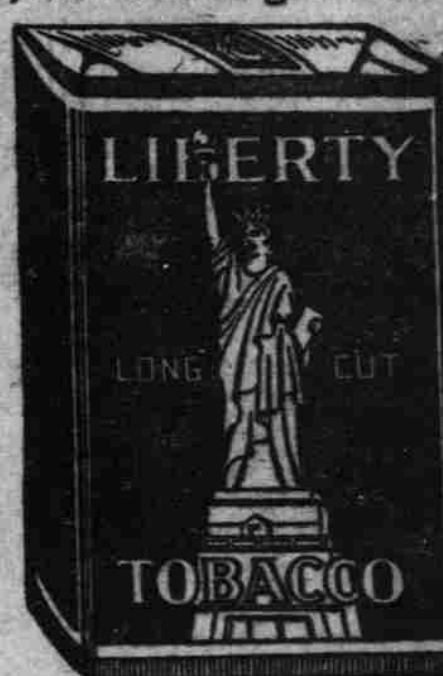

of "flat," insipid mixtures. He has got to have a man's size, real old natural he-tobacco.

We have the greatest tobacco organization in the world and are in business to stay in business—by giving the best values. LIBERTY is only one of our many brands, but like all it is the "highest quality—biggest quantity" of its kind sold.

We tell the big, brawny men of this country that LIBERTY is the best tobacco for them on the market and they know they can bank on that statement.

Go to it today.  
Sold everywhere in 5c packages.

THE AMERICAN TOBACCO COMPANY

gaining and rapidly approaching the required standard, however.

In the rural schools conditions seem improved, and while it may be a bit unusual I want to take occasion to make favorable comment on the work that is being done in the Putnam High school.

Between 45 and 50 have expressed themselves as being desirous of doing elementary night school work and I would recommend that elementary evening school be opened, session to be held in the high school building, two regular teachers and a substitute teacher at \$1.50 per evening when employed, that the school be opened on Monday, Nov. 15, and three sessions per week be maintained during the hours 7:30 to 9:30.

I would also recommend that the drip disinfectant machines that were installed in the Israel Putnam school on trial become permanent fixtures, that other machines be installed and that the use of the drip disinfectant become the rule. The daily use of coal tar disinfectants does not seem to do the work that should be done.

A new arithmetical series should be adopted and books modern in arrangement and modern in treatment of subjects purchased gradually, displacing the present series which would need to be displaced.

A study of credit and collection is a particularly pressing need, as compared the merchants' committee to recommend a method of co-operative collection.

The directors will meet at 7:30, immediately before the general meeting. A directors' meeting was held last Friday evening.

Recent improvements at the office include simple signs for the outside of the building on Main street and on the square; signs on the glass of the office doors; a dozen arm chairs; and roller shades for the west windows.

St. Philip's Church Interests. The minister in charge will attend a conference of the clergy at Middletown this (Wednesday) afternoon and evening; and the consecration of the Rev. Edward Campion, Connecticut suffragan bishop, will be given to the two bishops by the New London Archdiocese.

The choir will meet for rehearsal Friday evening at the church, after evening prayer.

Monday being All Saints' day, the holy communion was celebrated at 9 a. m. Next Sunday, the first in the month, the holy communion will be celebrated at 10:45 as well as at 8 a. m.

NIGHT SCHOOL ADVOCATED. Supt. Files Suggests Plan in Report to School Board.

The monthly report of Superintendent H. W. Files on the school at Putnam contains the following points of interest:

The enrollment in the public schools for October was 798, 408 boys and 239 girls, an increase of 29 over the figures for September. The average membership for October was 768.2, an increase of 10.3, and the average attendance was 716.6, an increase of 5.7 over the figures for September.

Total days absence for October period of five weeks was 780.5 as compared with 554 for the three weeks covered in the figure of the September report. During October for the five weeks covered by the report 57 pupils were tardy 28 times as compared with 10 tardiness of 57 pupils for 76 times during the three weeks in September. The membership now is 141 as compared with 165 for September.

The application work in the different grades has been progressing well during the month and satisfactory progress has been made. In the first grade the school regular grade work has been made difficult on account of poor preparation on account of the numerous absences during the spring term. The grade work is

The appointment of a school physician or of school physicians might be taken up and provision made for preventive medical measures.

During October the trustee officer, L. F. Batten, has written one letter and made 14 personal visits. There have been at least nine cases of truancy from one school. On account of the extreme youth of the culprits it has been unusually difficult to apply a remedy which would be understood by the boys. The police, the prosecuting attorney and the state agent have all been brought into the problem. The police have also helped out in a case of wilfulness on the part of parents who refused to send their child to school because he had been punished. A great help in the case was the fact that the boy was not allowed to enter any other school.

COURTMARTIAL OF MILITARY AVIATOR. Lieut. Col. Samuel Reber, Chief of Aviation Section, Testifies.

San Francisco, Nov. 2.—Lieutenant Colonel Samuel Reber, chief of the aviation section of the United States army, explained to a courtmartial here today, what he meant by writing Captain Arthur J. Reber, of San Diego, where seven army officers have been killed in two years. The defendant, it is charged, incited officers there to make charges against their superiors.

Warehouse Point.—Mr. and Mrs. William H. Post of 114 East Thirty-sixth street, New York, have announced the engagement of their daughter, Miss Mary Post, to Philip Bartlett Brewster, son of Rev. and Mrs. William J. Brewster, of Warehouse Point, and nephew of Bishop Chauncey B. Brewster.

He said Cowan was entitled to aviator's pay, although he was not an aviator and that was what he meant.

The courtmartial is trying Lieutenant Colonel Lewis E. Goodier for conduct subversive to discipline.

Lieutenant Colonel Reber explained a statement that "it is embarrassing to me because Patterson does not appear on the weekly flying sheets" by saying that Lieutenant W. J. Patterson had been prevented from flying by illness and by lack of machines, creating an embarrassing situation, but that the war department knew the facts.

Although Lieutenant Colonel Goodier is the man on trial much of the testimony thus far has been about Reber, Captain Cowan and the conduct of the aviation school at San Diego, where seven army officers have been killed in two years. The defendant, it is charged, incited officers there to make charges against their superiors.

Warehouse Point.—Mr. and Mrs. William H. Post of 114 East Thirty-sixth street, New York, have announced the engagement of their daughter, Miss Mary Post, to Philip Bartlett Brewster, son of Rev. and Mrs. William J. Brewster, of Warehouse Point, and nephew of Bishop Chauncey B. Brewster.

## War upon Pain!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered.

Simply laid on the skin—no rubbing required—it drives the pain away instantly. It is really wonderful.

## Sloan's Liniment

for RHEUMATISM, SPRAINS, SORE MUSCLES

TORPEDO BOAT DESTROYER WARDEN. This striking picture of the United States torpedo boat destroyer Warden, showing the possibilities of modern photography in taking an entire warship in so narrow a compass, was made while the vessel was steaming up the East River, New York, to the Brooklyn Navy Yard.

These pictures of the damage caused to houses in London by the Zeppelin raid show: 1, bank in London damaged by bomb; 2, house in London damaged by explosion; 3, another view of the same house; 4, damage to brick dwelling caused by bomb which crashed through roof and exploded inside the house. Special attention is called to the fact that the signs on the bank in No. 1 are obliterated—obviously by order of the censor, in order to keep information of the location of the damage from the Germans.
